## Transformational Leadership:

Leading a Life of Impact & Purpose

Christopher Gergen

## **Questions for Consideration:**

#### In our VUCA world...

- What is our leadership journey?
  - Long-term vision?
  - Priority goals for next year?
  - Immediate opportunities for:
    - Increasing impact?
    - Optimizing life?
  - 90-day commitment?
- How do we unleash the potential of others?

## My Journey

# smarthinking

Some people don't just live: they lead a life. They don't sit around waiting for a lucky break. They create opportunities for themselves. They go after their dreams and bring them to life.... Welcome to the territory of life entrepreneurs.

#### PERSONAL TRANSFORMATION

**Selective Attention:** filtering out the noise to focus on what you want to change.

# Creating Break-Out Transformation

"In life itself, there is a time to seek inner peace, a time to rid oneself of tension and anxiety. The moment comes when the striving must let up, when wisdom says, 'Be Quiet."

-- John Gardner
